By From the Manufacturer Regalo 4-in-1 Metal Play Yard encloses a large 19 square feet area. Multiple Configurations to Fit Your SpaceWhether you're looking for a large area for your child to play while you're working around the house or need a safety gate to keep your child out of harm's way, the play yard offers a versatile design that incorporates four separate uses. Each configuration is quick and simple to set up. Note: See attached user guide to ensure the product is properly installed. Can be configured into a variety of shapes and sizes to fit your needs. Over the years, parents, grandparents, and caregivers have come to know and depend on Regalo products for at home and on the go. Its convenient walk-through design offers easy access for adults with a quick, one-touch safety lock release lever. This play yard and safety gate features durable all-steel components and a hardware-mount system ideal for large, angled or uneven openings. The entire product line uses non-toxic powder coat and products such as bed rails, safety gates, and booster seats that are eligible for meeting ASTM standards and JPMA certification do just that. About Regalo: Safety and Convenience Above AllRegalo is an industry leader in products that make life a little less hectic for busy caregivers and exceptionally safe for little ones. Thank You! Try a different method Eight 24" panels, Fit openings up to 192" Stands 28" tall For children 6-24 months Packable, Portable, Convenient Certified by the Juvenile Products Manufacturers Association Meets safety standards set by American Society for Testing and Materials Sturdy Construction, Quick Installation Wipes clean Included in the box: One Regalo Super Wide Baby Gate and Play YardWall Mounting HardwareInstruction Manual Download Instruction Manual Baby/Health & Safety/Baby Gates/Baby Gates Free shipping, arrives by Wed, May 25 to Want it faster? The gate is 28 inches tall and can also be used to contain small pets to one area of your home. Easily mounting to the wall, the convenient gate features a walk-through door designed with a double lock lever handle allowing adults to easily pass through. Check the gate regularly to see if all hardware and mountings are tightened. Made with sturdy steel construction for the ultimate in durability, the play yard is easy to set up and take down. to see optionsSold and shipped by Walmart.comFree 90-Day returnsPackaging note:Ships in the manufacturer's original packaging, which may reveal the contents. Space between the bars (slate size) is 2.5 inches. Providing a versatile way to keep your child safe, the Regalo Super Wide Baby Gate and Play Yard offers numerous convenient configurations for around the house. Steel Construction That Meets Safety StandardsThe all-steel frame construction provides strength and support that you can trust and depend on to keep your child safe. It is ideal as a play yard, fireplace barrier, at the landing of stairs, or a super-gate for very wide openings. The 4-in-1 play yard is PVC-free and meets the safety standards set by the American Society for Testing and Materials (ASTM). The Regalo 4-In-1 Metal Play Yard is backed by a manufacturer's limited 90-day warranty. Portable Design and Easy Set UpThe large play yard is composed of eight 24-inch wide detachable panels that create up to 19 square feet of play area for your child to enjoy. The super-wide gate can be expanded to fit openings 50.5"-192" and comes with eight, 24" panels. For added convenience, all wall-mounting hardware is included should you desire to convert into a wall mounted gate. Wall mounting brackets add 2 inches to each side, 4 inches total. Once your little one starts walking, child proofing your home is a must. The panels connect to hinged posts that offer an amazing variety of shaping possibilities. Includes all hardware. The foldable design and walk-through gate make it hassle-free to use and portable for family trips. What's in the BoxOne Regalo 4-In-1 Metal Play Yard, instruction manual, and wall-mounting hardware. Not only can it be used as a Play Yard, but also converts to a fire place guard, gate enclosure for extra wide openings, stairway barrier. Numerous possibilities. Amazon.com Providing a versatile way to keep your child safe, the Regalo 4-In-1 Metal Play Yard offers numerous convenient configurations for around the house. See more Activate and hold the button to confirm that you're human. It can be set up as a stand-alone play yard, a barrier to prevent children from getting too close to the fireplace, a safety gate to mount in between walls, or even a free-standing barrier for hard-to-secure structures like the bottom of stairs. The play yard is easy to take down and folds compactly, so it's ideal for moving around the house, traveling, or storing.
